The Stages SC3 is the global leader in premium indoor cycling. Innovative bike features, such as the aluminum frame, CarbonGlyde, magnetic braking system, FitLoc, and SprintShift make it the simplest bike to maintain. Included on the SC3 is the Stages Power meter, the most accurate, reliable, and consistent direct power meter on the market. Stages Cycling is the only company who has a power meter that is used and endorsed by the most prestigious indoor cycling studios, as well as the world's most elite outdoor cyclists and teams.

The console and power meter use ANT+(TM) and Bluetooth. Visit www.thisisant.com/directory for compatible products and apps.
